This regulation sets policy and explains the rules for recognizing the efforts of personnel residing in base family housing areas to develop and maintain their yards and ground in an exceptional manner. Occupants who are putting extra effort into the upkeep of their yards, over and above normal upkeep requirements (minimum standards for lawn and yard maintenance are outlined in AFFTCPAM 32-1, *Housing Brochure*), are considered for a yard of the month award for their area. Base family housing areas A, B, C, E, F, G, H, I, and the mobile home park constitute competitive categories. A winner may be selected from each category. An overall winner will be selected from the category winners. The 95th Air Base Wing Command Section is responsible for carrying out the provision of this awards program.
